PROGRAM DIRECTOR

YVON CORRIVEAU has 20 years of professional hockey experience, including 1200 games from 1985 - 2005. Drafted to the (NHL) Washington Capitals, in the first round in 1985, he played 360 regular NHL games with the Washington Capitals, the Hartford Whalers and the San Jose Sharks, as well as in 50 NHL playoff games.

In addition, he played 430 regular season IHL and AHL games, winning both the Turner and Calder Cups. Yvon finished his career playing over 400 games in the DEL (Deutsche Elite League) in Berlin, Germany, serving as Captain of the Berlin Capitals.

As only a professional athlete can, Yvon knows exactly what it takes to prepare... because for 20 years he has had the responsibility of getting himself into "game shape" in the weeks prior to the hockey season beginning, ready to step foot on the ice at training camp, ready... ready to win.

LET HIM GET YOU READY!
